Coach Approach
 to **Leadership**

Coaching Skills for Leaders and Managers

Workshop Dates:

- June 21st – 22nd Calgary
- July 23rd – 24th Edmonton
- August 13th – 14th Calgary

Positive Change: Leader as Coach

- Increase your effectiveness as a leader.
- Coach others to higher levels of performance.
- Develop your leadership skills to maximize employee commitment and engagement.
- Create an environment where others are inspired to be their best, every day.
- Engage in performance conversations that are more open and collaborative.
- Transition from doing to support others in doing.
- Improve your own approach to getting business results.

“The Coach Approach to Leadership supplies clients with effective tools for recruiting and retaining quality employees in tight labour markets.”
